

Inflate-Your-Party

ABOUT US

The idea for InflateYourParty.com started when our daughter turned four. Frustrated with party preparations and the daunting task of entertaining 45 people, we agreed to plan ahead better for her fifth birthday party the following year.

From that humble beginning, we can now be found providing fun and entertainment at birthday parties, corporate events, church functions, company picnics, end of school year parties, graduations, reunions and fund raisers. You name the event and we'll inflate it.

As a family-owned-and-operated business, our main goal is FUN! But we value safety just as highly, and we're dedicated to owning and maintaining only the highest quality inflatables. There is nothing more rewarding to us than satisfied, tuckered out, customers.

We serve all of Washtenaw County and its surrounding areas. We are excited to provide an awesome alternative for your party entertainment. With InflateYourParty.com, you supply the party... we'll inflate the fun!

We are thankful that you found us and we look forward to an opportunity to entertain you.

~ David and Jill Kleine
